"It has come to our attention that a mysterious force is  
LOOSE..  
somewhere in outer space."

"The mysteries of creation are there."

"Up in the sky?" "Up in the sky."

"The moon and the planets are there.  
And new hopes for knowledge and peace are there.  
And therefore as we set sail; we ask God's blessing --  
on the most hazardous, and dangerous, and greatest  
adventure  
of which man has ever embarked." --> John F. Kennedy

"Prepared for liftoff."

[Guru]

I Self Lord And Master, shall bring disaster to evil  
factors  
Demonic chapters, shall be captured by Kings  
Through the storms of days after  
Unto the Earth from the Sun through triple darkness to  
blast ya  
with a force that can't be compared  
to any firepower, for it's mindpower shared  
The brainwake, causes vessels to circulate  
like constellations reflect at night off the lake  
Word to the father, and Mother Earth  
Seeking everlasting life through this Hell for what it's  
worth  
Look listen and observe  
and watch another C-Cypher pullin my peeps to the  
curb  
Heed the words; it's like ghetto style proverbs  
The righteous pay a sacrifice to get what they deserve  
Cannot afford to be confined to a cell  
Brainwaves swell, turnin a desert to a well  
Experience the best teacher; thoughts will spray  
like street sweepers Little Daddy street preacher  
Illustrious feature, narrator you select

Accompanied by Deck plus the DJ you respect  
The seven and a half combine, over the frontline  
The ten percenters, promotin slander in the airtime  
Bear in mind jewels be the tools of the trade  
Sharp veins heavenly praise and dues are paid

[Chorus: Guru]

Above the crowds, above the clouds where the sounds  
are original  
Infinite skills create miracles  
Warrior spiritual -- above the clouds  
reigning/raining down, holdin it down

[Inspectah Deck]

Yeah; I leave scientists mentally scarred, triple extra  
large  
Wild like rock stars who smash guitars  
Poison bars from the Gods bust holes in your mirage  
and catch a charge shake em down like the riot squad  
Invade your zone, ruin like ancient Rome  
I span the universe and return to Earth to claim my  
throne  
The maker, owner, plus soul controller  
Ayatollah rest in the sky, the cloud's my sofa  
Stand like Collossus, regardless to whom or what  
Numerous attempts at my life, so who to trust  
Who but us, to supply you with the fire?  
The burning truth, 150 Absolut proof  
On the mic like Moses spoke in golden scribe  
Survivor of the oldest tribe whose soldiers died  
I notified families, we shed tears and more  
but our hands are the ammo cause the battle's still on  
Sound the horn; we come rumblin through the function  
Precise laser beam technique to touch somethin  
When we die hard, to build the monument to honor us  
with  
Humungous effect in the world - we could have  
conquered it

[Chorus] - 2X
