I see a bad moon arisin'  
I see trouble on the way  
I see earthquakes of lightnin'  
I see a bad time today.

REF:  
Don't go around tonight  
Well, it's bound to take your life  
There's a bad moon on the rise.

I hear hurricanes a'blowin'  
I know the end is comin' soon  
I feel rivers overflowin'  
I hear the voice from raze and ruin

REF

Hope you got your things together  
Hope you are quite prepared to die  
Looks like we're in for nasty weather  
One eye you're takin' for an eye
