"I Want You"

I want you like a foot wants a shoe
Like a 1 wants a 2
Like my pink wants a blue
Like a cheated on partner
Wants an answer
A dancer wants a beat
And a beat wants a groove

I want you like the bully wants to be understood
I want you like the ghetto wants a new Robin Hood
I want you like a soldier wants the smell of home
Like Robson wants Jerome

Yeah, I want you
Yeah, I want you
With everything I am, now I want you
I want you
Yeah, I want you
I'm gonna shout it out for all, that I want you
I want... You

I want you like the police want to call us jobs
I want you like the workers want to keep their jobs
I want you like the right wing want the bone heads
Like the bankers want their bonus

I want you like the people want to see change
I want you like the capital want us the same
I want you like Palestine wants to be free
Like the news round here have no time for me

I want you
Yeah, I want you
With everything I am, now I want you
I want you
Yeah, I want you
I'm gonna shout it out for all, that I want you
I want...

Like the man wants a protest band
A telephone tap and a retina scan

Like a salt wants to be with a pepper
An egg with a bacon
A stamp with a letter
Like a light bulb wants Uncle Fester
Like the fat boys want Chubby Checker
Like Saxon want to bring together
Denim and Leather

And I want you
Yeah, I want you
I've got everything I am, now I want you
I want you
Yeah, I want you
I'm gonna shout it out for all, that I want you
I want
