You had better watch out yeh  
when this cat is around he's motorbike child  
he just takes to the road,  
a riding chicken alone,  
man I tell you he's wild.  
With his hair greased back  
he hits the track  
be it town or freeway  
he rides speedway,  
old man roller just gets going - yeh  
Rock an rollin' giving everything he got  
When he's dancin' he rocks around the clock  
just a rollin' his everything in life is rock'n roll  
rock and rollin' he twists the night away  
got a joke box and rock is all it  
plays just a rollin' he doesn't have a care  
just rock'n roll  
He still lives in the fifties, yeh  
it seems that the times went and left him behind  
everytime he's in town the people gather around  
think he's out of his mind  
(Mid + Chorus)  
He really doesn't give a damn  
what people think of him  
they call him old man roller  
they laugh behind his shoulder  
they call him old man roller  
rock and rollin', rock and rollin'.
