I was cleaning up
Putting stuff away
When I found it there yesterday
It was late you were drinking
The picture was dark and we both were blinking

I want you back today
I thought you left your toothbrush here
As a way to say Ill always be messing with you

I just remembered that time at the market
you snuck up behind me and jumped on my shopping
cart
and rolled down aisle five
you looked behind you to smile back at me
crashed into a rack full of magazines
they asked us if we could leave

I can't remember what went wrong last September
though I'm sure you'd remind me if you had to

our love was comfortable and so broken in

I sleep with this new girl I'm still getting used to
my friends all approve,
say "she's gonna be good for you"
they throw me high fives
she says the Bible is all that she reads
and prefers that I not use profanity
your mouth was so dirty

life of the party and she swears that she's artsy
but you could distinguish Miles from Coltrane

our love was comfortable and so broken in
she's perfect
so flawless
or so they say
so they say

she thinks I can't see the smile that she's faking

and poses for pictures that aren't being taken
I loved you
grey sweatpants
no makeup
so perfect

our love was comfortable and so broken in
she's perfect
so flawless
I'm not impressed
I want you want you want you back want you want you
back.
