Abide with me  
Fast falls the eventide  
The darkness deepens  
Lord with me abide  
When other helpers fail  
And comforts flee  
Help of the helpless  
Oh abide with me

I need thy presence  
Every passing hour  
What but thy grace  
Can foil the tempter's pow'r  
Who like thyself  
My guide and stay can be  
Through cloud and sunshine  
Oh abide with me

Oh thou thy cross  
Before my closing eyes  
Shine through the gloom  
And point me to the skies  
Heav'ns morning breaks  
And earth's reign shadows flee  
In life, in death, oh Lord  
Abide with me

In life, in death, oh Lord  
Abide with me...
