CHORUS:

Louie Louie, oh no  
We gotta go  
Aye-yi-yi-yi  
Louie Louie, oh baby  
We gotta go

A Fine little girl awaits for me  
She's just a trip across the sea  
Me sail that all alone  
Me never know how I make it home

CHORUS

Three nights and days I sail the sea  
I think of girl, 0' constantly  
On that ship, I dream she there  
I smell that rose hangin' in her hair.

CHORUS

Okay, let's give it to 'em, right now!

GUITAR SOLO

Me see Jamaica, the moon above  
It won't be long, me see my little love  
I take her in my arms again  
I tell her I'll never leave again

CHORUS

Let's take it on outa here now  
Let's go!!
