KICK ASS!

Y'all boys don't know NUTTIN bout me (mm-hmm, uh-huh)

Ya heard? .. "Ladies and gentlemen!"

[Juvenile]

I'ma T.C. soldier, New Orleans stunna

If a bitch leave me, I'ma take everything from her

Leave while ya can, or ya mom will pick ya rum up

I'ma find me some new pussy, and buy a Four-Runner

I walk with a limp, cause my nuts heavy

And I like it from the back so hold your butt steady

I know I got some big lips, but I ain't trippin

And mamma I love pussy, but I ain't lickin

Now prepare yourself for a smooth dickin

You don't want it girl? You don't know, what you missin

I'm the baddest boss nigga walkin, you ain't heard?

I got a team of head busters waitin to give 'em the word

I gotta few in the East Coast, a few in the West

Down-South to Mid-W, whattup to the rest

Can't forget about the ghetto where they strugglin in debt

No matter what I do dawg, I love my set - "Ladies and gentlemen!"

[Chorus: Juvenile]

Wodie, Wassup, Wodette, Wassup, Wodie, Wassup

Set it off in this motherfucker

Wodie, Wassup, Wodette, Wassup, Wodie, Wassup

Set it off in this motherfucker

Wodie, Wassup, Wodette, Wassup, Wodie, Wassup

Set it off in this motherfucker

Wodie, Wassup, Wodette, Wassup, Wodie, Wassup

Set it off in this motherfucker

[Juvenile]

Fuck it if your boys gon' be talkin they gon' get hit too
I'm really not givin a fuck, long as I get you

Got a vision of the 3rd Ward, rulinn the land
Runnin up on hoes, tellin them to jump in the van
Mommy please come break off just me and my man

[Chorus]

[Juvenile]

55% of these niggaz is fake
The other 45% be handlin they weight
55% of these women is hoes
The other 45% be playin they role
Mr. Officer, Mr. Officer
Take these motherfuckin cuffs off of us
We ain't kill nobody in this car, for us
And ridin on 20's is the law for us
I ain't from France, but excuse my french
Fuck ya if ya hatin, nigga save that then
