Song by Jesse McCartney

Everyone here is feeling your vibe  
eyes glued, hands up  
'cause you're doin it right  
Everybody gets their chance to shine  
So, dont be shy now

Did you know that everyone's a star?  
Big time, it dont matter who you are  
Flip the beat and we're switchin it up  
Yeah it's your time to...

[Chorus]  
Get your get your...  
Get your shine on

Get your get your...  
get your shine on

Get your get your...  
get your shine on  
Too hot.. too hot

Get your get your...  
get your shine on

Get your get your...  
get your shine on

Get your get your...  
get your shine on

Dont stop Dont stop...

What you doin up agaisnt the wall?  
You know you wanna dance  
Or you wouldnt be here at all  
Everybody's got it goin on and on and on  
It's on tonight, yeah

Show a little...  
You know I like it when you...  
Everybody wanna...  
[repeat]

[Repeat Chorus]

Everybody  
It's time to party  
Time to show what you can do.

Everyone should  
It makes you feel good  
You can... you will... you know...  
You've got the moves  
Oh, c'mon

[Repeat Chorus]
