Broken mold, broken mold  
You were born from a broken mold  
Broken mold, broken mold  
How you gonna fix it when it broke

It wouldn't be so bad  
Not if I'd been told  
When I reach this place  
Being bought and sold

Make you blood run hot  
Make your heart run cold  
When you find  
You're from a broken mold

Out runnin' in the street  
Slippin' out the back  
Sweat on your brow  
Got knifed in the back

You're the black sheep  
Kicked out the fold  
When you know  
You're from a broken mold

Don't care when you win  
Don't matter if you loose  
You're broke down mind  
Got a very short fuse

You'll feel it when you're young  
You'll know it when you're old  
Yea, you made  
From a broken mold

Broken mold, broken mold  
You were born from a broken mold  
Broken mold, broken mold  
Just can't fix it when it broke

Now the innocent died

On the day I was born  
All I ever hear  
I didn't mean no harm

You could see it in my eyes  
I did what I was told  
Because I  
Made from a broken mold
