I seen you cryin' in the night
I seen you cryin'
Things wasn't right
I'd a been there
Holdin' you tight
Might a known wrong from right

I heard you talkin' on the phone
Tellin' your friends
Tired a being alone
I'd a been there
Keepin' you warm
You might a known wrong from right

One step forward
Two steps back
Now we're goin' down the wrong track
Got us to turned around
That we can't get back

I seen you walkin'
Out the door
I remember it well
You ain't done that before
Asked you to stay
Begged you not to go
Your eyes said yes
But your heart said no no no

(refrain twice)
