I need an omen
I need a sign
I need to get my peace of mind
Now at night I'm gonna get down
Oh but I love ya' on sacred ground

I been guilty
I been framed
Woke up in the mornin'
Another link in my chain
Now at night I'm gonna get down
Oh but I love ya' on sacred ground

You know its true
I been accused
That's what you get for
Layin' down with fools
Now at night I'm gonna get down
Oh but I love ya' on sacred ground

Sacred Ground
Sacred Ground
That's when a kiss in the mist
Gonna carry you down

I told my love
[la la ... why]
I knew look at the look in her eye
Honey at night I'm gonna get down
Oh were treadin' on sacred ground

I told my love
When the moon come up
You gotta give what you got
Baby open your eyes and look up
Now at night I'm gonna get down
Oh but I love ya' on sacred ground

Sacred Ground
Sacred Ground
That's when a mist like a kiss

Hangin' over the town
Gonna carry you down
Now the moon is high, I get down
Oh but I love ya' on sacred ground
