Should not left her alone
All that's left is sweat 'n bones
Should not left her alone
All that's left is sweat 'n bones

Went by your house baby
You told me you'd be home
Peeked in the window
But the curtains was all drawn
When around the back
To see what's goin' on
I went in the door child
Something must be wrong

I shouldn't left her alone
All that's left is sweat 'n bones
Should not left her alone
All that's left is sweat 'n bones

You told me not to write baby
You told me not to phone
All you do is tell me
Wrong wrong wrong
I remember back
On the day long gone
When you heard me turn
Nothin' could go wrong

I shouldn't left her alone
All that's left is sweat 'n bones
Should not left her alone
All that's left is sweat 'n bones

You told me not to write baby
You told me not to phone
All you do is tell me
Wrong wrong wrong
I remember back
On the day long gone
When you heard me turn
Nothin' could go wrong

I shouldn't left you alone
All that's left is sweat 'n bones
Should not left her alone
All that's left is sweat 'n bones

Won't tell me where
Won't tell my why
All you do sit there and cry
I can't never seem
To find the right time
Got to get you baby
Honey off my mind
Oh sweat 'n bones
Should not left you alone
Oh sweat 'n bones
