Well you won't feel a thing  
As far as I know  
It's fast  
Just think 12 more hours to go  
You'll see blood red  
And I'll ask my friend  
What he thinks  
Just what he thinks of this  
I'll sit and wait  
He'd hate us anyway

Look shocked out there is Calmern Lake  
Walk in and see Eyeore  
Come in and see the single youth in me  
I'll open up if you let me  
Well, boy you think alot  
That should bother you  
It damn sure bothers me  
I'll sit and wait  
Then I'll predict a quake

It's just water  
It's just water  
It's just so It's just so It's just powder
