There are times in a woman's weep and cry
Nobody knows if she's telling lies
I wanna hear the truth from you
Don't play this game the way you do

You don't have to hide the way you fee-eel
Tell me if your love for me is real

Is this really love
Is this the real thing, really lo-ove
Is it really love
Could be the right thing, really lo-ove

Yeah, I was born in a prison, there's no way out
You wanna be heard, you scream and shout
You don't know the kind of mess I'm in
Nobody mistreat my skin

You have got the key to set me free-ee-ee, yeah
If you want my love, then rescue me-ee-ee-ee

Is this really love
Is this the real thing, really lo-ove
Is this really love
Could be the right thing, really lo-ove

Is this really love
Is this the real thing, really lo-ove
Is this really lo-ove
Could be the right thing, really lo-ove

Ooh-ooh, you don't have to hide the way you fee-eel,
yeah
Tell me if your lo-ove is rea-ea-ea-eal

Is this really lo-ove
Is this the real thing, really lo-ove
Is this really lo-ove
Could be the right thing, really lo-ove

Is this really love

Is this the real thing, really lo-ove
Is this really love
Could be the right thing, really lo-ove
Is this really lo-ove
Could be the right thing, really lo-ove
Is this really love
Is this the real thing, really lo-ove
