You need money
If you wanna get her
'Cause her body is up for sale
You need a nice car
If you wanna get her
'Cause she owns every shining star

And you ain't got none
No, you ain't got none

You need money
If you wanna get her
(???)
She's in a snowsuit
Laughing at our wooden nose
She's so happy when it snows

Your love is like a cold war
Gonna throw your heart out the the door
Your love is like a cold war
Been building this bomb so long my hands are getting
sore

There are good girls
And there are bad girls
Then there are girls that are cold, cold, cold

There are good girls
And there are bad girls
Then there are girls that are cold, cold, cold

Your love is like a cold war
Gonna throw your heart out the the door
Your love is like a cold war
Been building this bomb so long my hands are getting
sore

Your love is like a cold war
Gonna throw your heart out the the door
Your love is like a cold war
Been building this bomb so long my hands are getting

sore
