A faded smile, another trial for you  
You're reaching for another shore but you  
Cannot be true  
A lie was named for you

An empty chair and graying hair for you  
A dream a day has run away from you  
Can it be true  
We are the things we do

But when you say  
All in love is fair  
Hold my hand and I'll take you there

And if you say  
Just one day could it be today  
Look my way as you walk away  
Walkin' away

Belle of the ball, I took the fall for you  
Slept in my car, I bled and starved for you  
And all that you do  
I cried a lake for you

You're on the trail, while I'm in jail for you  
Through flaming coals to save your soul, what for?  
But all I could do  
Was wave goodbye to you

But when you say  
All in love is fair  
Hold my hand and I'll take you there  
Takin' you there

And when you say  
One more day could be the day  
Call my name as I walk away  
Walking away  
Away!

And when the storm breaks through

The lies in your eyes, bad dreams come true  
You'll call my name in vain  
And never love again

A faded smile, another trial for you  
You're reaching for another shore but you  
Cannot be true  
A lie was named for you
