Hands raised  
Volunteers  
Fresh faced  
Tender years  
And when you're done, another one  
will run that gun  
She's your Verdun, she can't be won  
Oh brother, keep that vow  
'cause you can't hide now  
Bombardier, bombardier, bombardier, bombardier  
You tried to burn it out  
Bombardier, bombardier, bombardier, bombardier,  
You tried to blow it down  
Bombardier, bombardier, bombardier,  
It's not in your hands

Midnight  
Firefight  
Town

Too real  
Wound won't  
heal

And when you're done, another one

Will run that gun  
You're at the Somme, she can't be won  
Oh mother, keep that crown  
You can fly now

Bombardier, bombardier, bombardier, bombardier,  
You tried to tear me down  
Bombardier, bombardier, bombardier, bombardier,  
You tried to wipe me out  
Bombardier, bombardier, bombardier  
It's out of your hands

And when you're done, another one  
Will run that gun  
Dead and gone, to Avalon

Oh mother, keep that crown  
You can fly now

Bombardier, bombardier, bombardier, bombardier,  
You tried to run away  
Bombardier, bombardier, bombardier, bombardier,  
And now you'll rue the day  
"Vous ne les laisserez pas passer, mes camarades"

Your soul is rent and out, and flying up, so long
