"I Want You Back"

For all your restlessness
and hatefulness
I want you back
I want you back
I want you

For your forgetfulness
dead promises
I want you back
I want you back
I want you
I want you
I want you
I want you

For all your bitterness,
consider this:
I want you back
I want you back
I want you

For your deceitfulness,

still this is bliss
I want you back
I want you back
I want you
I want you
I want you
I want you

For your hostility
it's killing me,
I want you back
I want you back
I want you

For all your evil ways,
I miss those days
I want you back
I want you back

I want you
I want you
I want you
I want you
