Draw the curtains
Bind the blinds
And this won't take me too much time, I
Want to tell you,
Days ago
I lived a nightmare down below
You can't see this night
It's what you want, it's what you need
But I can't hold this dream,
It's why I bleed,
It's what you need

Dig that grave for all my hopes, I'm
Hanging from your heavy rope, and
Kiss that angel, night, goodnight
I drift and down I fall

I can't leave this night,
Not what I want, it's what I need
And I can't hang this lightless night, it's right

It's what I need

This is all that I've become
Though it may change in years to come
I'm less than shadows of my past
I'm sorry that I failed you

You can't see this night
It's what you want, it's what you need
But I can't hold this dream,
It's why I bleed,
It's what you need

You can't see this night
It's what you want, it's what you need
But I can't change this dream,
It's why I bleed,
It's what you need

Draw the curtains, bind the blinds

And this won't take me too much time
