Out of time, out of luck
Thought I was just dreamin?
Then I woke up
You said it was over

The end of the line
I?m tellin? everybody I?m fine
But I?m just

Climbin? up Mt. Everest
I swear it?s like crawlin? from here
To Memphis knocked senseless

Like diggin? a hole in China to find
You don?t love me no more

Night after night I come home
Watchin? on the news
Who else was overthrown
Two warring nations

We fought the good fight
Always waiting for the other to strike
And it?s like

Climbin? up Mt. Everest
I swear it?s like crawlin? from here
To Memphis knocked senseless

Like diggin? a hole in China to find
You don?t love me no more

Shine the light, ring the bell
Guess you don?t love me
Well, well, I?ll go on, I?ll survive
I don?t know how but I?ll try

Climbin? up Mt. Everest
I swear it?s like crawlin? from here
To Memphis knocked senseless

Like diggin? a hole in China to find

You don?t love me no more

You don?t love me no more

You don?t love me no more
