I've got all that I need
All I could ever ask for, here
And I will be
Lovin' you evermore, here

Yeah, you and I, it's amazing
Yeah, I'm gonna be stayin'

Here
You can have all my love
Here
Every little part of my soul

My heart sings, "Hey la, la, la"
Everytime you're here

It's real love
The first time I've ever been here
Now I can give up
My searchin' ends here

Yeah, I'd be down on my knees
Yeah, if you should ever leave me

Here
You can have all my love
Here
Every little part of my soul

My heart sings, "Hey la, la, la"
Everytime you're here

Feeling your heart pound
Is my forever bound here?

Here
You can have all my love
Here
Every little part of my soul

My heart sings, "Hey la, la, la"
Everytime you're here
