You had some really crazy ideas before
I could never figure out that mind of yours
Always wantin? to explore
The absolutely outrageous

You over analyze and let your mind wander
Lookin? up at that dark cloud you're under
Suddenly you start to wonder
How I feel about us

No, I don't need your love
I feel like givin? up
It's time to pull the plug
Ridiculous

You must think that I'm insane
To think that I'd throw us away
When you're my everything
That's ridiculous

Baby, put away your paranoia
Look at me standing right here before you
I'm the girl that simply adores you
Dyin? to kiss you

I never have a dream without you in it
Wake up in the morning countin? the minutes
'Til I can find a moment
And spend it with you

No, I don't need your love
I feel like givin? up
It's time to pull the plug
Ridiculous

You must think that I'm insane
To think that I'd throw us away
When you're my everything
That's ridiculous

Yeah, but I don't need your love

That's insanity
To think that

No, I don't need your love
I feel like givin' up
It's time to pull the plug
Ridiculous

You must think that I'm insane
To think that I'd throw us away
When you're my everything
That's ridiculous

La, la, la
Ridiculous
Oh, la, la, la
