I said
I think I'm workin' too hard
And you said yeah
I said
I just might quit that job
And you said yeah

I can't say your not listening
But baby won't you talk to me

Talk to me
Tell me that you care because
I'm feelin'
Like were so outta touch
Even
If there's something your afraid of
Tell me what you need
Won't you talk to me

Would you say
This is love we've found
Well I'd say yeah
Would you say
That it's worth workin' on
Well I'd say yeah

To me it would mean everything
You know you got to talk to me

Talk to me
Tell me that you care because
I'm feelin'
Like were so outta touch
Even
If there's something your afraid of
Tell me what you need
Won't you talk to me

Talk to me
Tell me that you care because
I'm feelin'
Like were so outta touch

Even
If there's something your afraid of
Tell me what you need
Won't you talk to me
