I spent a lifetime lookin' for you  
Single bars and good time lovers were never true  
Playin' a fool's game hopin' to win  
And tellin' those sweet lies and losin' again

I was lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' her eyes, lookin' for traces of what I'm  
dreamin' of  
Hopin' to find a friend and a lover  
I'll bless the day I discover another heart  
Lookin' for love

I was alone then, no love in sight  
I did everything I could to get me through the night  
Don't know where it started or where it might end  
I'd turn to a stranger just like a friend

I was lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' her eyes, lookin' for traces of what I'm  
dreamin' of  
Hopin' to find a friend and a lover  
I'll bless the day I discover another heart  
Lookin' for love

You came knockin' at my heart's door  
You're everything I've been lookin' for

No more lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' your eyes, lookin' for traces of what I'm  
dreamin' of  
Now that I found a friend and a lover  
I'll bless the day I discover you, oh you  
Lookin' for love

In all the wrong the places  
Lookin' for love in too many faces  
Searchin' your eyes, lookin' for traces of what I'm  
dreamin' of

Now that I found a friend and a lover  
I'll bless the day I discover you, oh you  
Lookin' for love

In all the wrong places  
In too many faces...
