You know my baby talks dirty
You know my baby she say
Hurt me, hurt me
Uh, uh, uh, uh, uh

Uh uh, my honey's not
A sweet thing
No, no, my sweetie loves
A real neat beating
Uh, uh, uh, uh, uh

I got to do it
To her just right
She got to be in
Trouble all night
When she say do it to it
Do it to it, do it to it
Yeah

You know my
Baby walks nasty
She take it slow
But she's a a fasty
Uh, uh, uh, uh, uh

My little lady
Like a licky
She do it good, she
Make it, oh, so sticky
Uh, uh, uh, uh, uh

She wanna keep
Our love a secret
I got to tame her
Make her my pet
When she say do it to it
Do it to it, do it to it
Yeah

Oh, she got the savage soul
Oh, it's only rock and roll

You know my baby
Just too cool
My little lady hated
High-yi-yi school
Uh, uh, uh, uh, uh

My little pretty
One is so fine
She got the mouth
And she got the time
Uh, uh, uh, uh, uh

You know she's
Even got a girlfriend
But I'm her
Loving backdoor man
When she say do it to it
Do it to it, do it to it
Yeah

Oh, I got the whole control
Oh, she got the savage soul
Oh, it's only rock and roll

You know my baby talks dirty
You know my baby she say
Hurt me, hurt me
Uh, uh, uh, uh, uh

Uh, uh, uh, uh, uh...
