Ooo, baby  
Ooo ooo, baby, ooo  
Got to learn to give  
The devil his due

You've got it made  
And you made it your way  
Life's looking great  
Now you've found  
The right game to play

Came a long way  
From the valley  
Aimed so high  
Shot so true

(CHORUS)  
Ooo, baby  
Ooo ooo, baby, ooo  
Everybody got to  
Read the reviews  
Ooo, baby, ooo, even you  
Got to learn to give  
The devil his due

I'm not alone  
I'm lonely for you  
Won't use the phone  
No, I don't want  
To say it's true

Still, your frame  
Hangs in the gallery  
The paint is dry  
The pain's still new

(CHORUS)

Ah, love conquers all  
When after all it was you  
Just you, you, you, you, you

(CHORUS)

Oh, yeah  
You got to learn to  
Give the devil his due  
Yes, you do
