Well, you're my sweet-sweet boppin' Rosalie
You're my sweet-sweet boppin' Rosalie
Well, you look so good, you dress so fine
You sparkle like a neon sign
You're my sweet-sweet boppin' Rosalie
Rosalie, Rosalie
You're my sweet-sweet boppin' Rosalie
Well I like you like you like me
Like a bear likes the honey from a hollow tree
You're my sweet-sweet boppin' Rosalie
Rosalie, Rosalie
You're my sweet-sweet boppin' Rosalie
Well, you look so good, you dress so fine
You sparkle like a neon sign
You're my sweet-sweet boppin' Rosalie

Well, you're my sweet-sweet boppin' Rosalie
You're my sweet-sweet boppin' Rosalie
Well I like you like you like me
Like a bear likes the honey from a hollow tree
You're my sweet-sweet boppin' Rosalie
Rosalie, Rosalie
You're my sweet-sweet boppin' Rosalie
Well, you look so good, you dress so fine
You sparkle like a neon sign
You're my sweet-sweet boppin' Rosalie
You're my sweet-sweet boppin' Rosalie
You're my sweet-sweet boppin' Rosalie
