Max:

In all the famous love affairs, the lovers have to struggle.

In garret rooms away upstairs, the lovers starve and snuggle.

They're famous for misfortune, which they seem to have no fear of,

While others who are very rich and very seldom hear of....

Elsa:

No little shack does he share with me,

We do not flee from the mortgagee,

Nary a care in the world, Have we?

Max:

How Can Love Survive?

Elsa:

He's fond of bonds and he owns a lot,

I have a plane and a diesel yacht

Max:

Plenty of nothing you haven't got?

Both:

How Can Love Survive?

Elsa:

No rides for us, on the top of a bus,

In the face of the freezing breezes

Max:

You reach your goals in your comfy old Rolls

or in one of your Mercedes-es!

Elsa:

Far, very far off the beam are we?

Quaint and bizarre as a team are we?

Two millionaires with a dream are we?

We're keeping romance alive!

Two millionaires with a dream are we,  
We'll make our love survive!  
How can I show what i feel for him,  
I cannot go out and steal for him,  
I cannot die like Camille for him

Max:

How Can Love Survive?

You millionaires with financial affairs,  
are too busy for simple pleasure,  
When you are poor, it is toujours l'amour  
For l'amour, all the poor have leisure!

Elsa:

Caught in our gold plated chains are we?  
Lost in our wealthy domains are we?  
Trapped by our capital gains are we?  
But we'll keep romance alive

Max:

Trapped by your capital gains are you?

Both:

WE'LL MAKE OUR LOVE SURVIVE ! ! ! ! !
