Daddy and I
Danced with death all night
That made us feel so alive
Daddy and I

I was so happy that night
The moment I'd waited for had come
His wife had gone down to sleep tight
I knew it was now or never
Down went those walnut rum shots
Coffee to go 'cause I am out of shape
"Daddy is this how it's done right?
Is this what they call the great escape?"

Daddy and I
Danced with death all night
That made us feel so alive
Daddy and, daddy and I
We danced with death all night
And I traded my gold for a lie
Daddy and I

Look what I found another bottle
For once we can talk
But daddy goes first then comes the daughter
And there's been said enough

What doesn't make you strong
Will kill you one day
If this is the way you're gonna go on
I think I'll just walk away
Daddy you'll get no strength from me

Daddy and I
Danced with death all night
That made us feel so alive
Daddy and, daddy and I
We danced with death all night
And I traded my gold for a lie
Daddy and I
Daddy and I
