I don't know where to go
There's nowhere to go
No one knows my name
Someone once told me
To hold on to what's me
But I must be too slippery

Following a one-way street
My two feet carry me

Spotlight hits me I must hurry
Can't let them see that I'm afraid
I can't let them wait

Following a one-way street
My two feet carry me

Step by step by step
Though it's dark and I can't see ahead
I won't let the shadows scare me
I'll make the noises fear me
I'll make the voices hear me instead
We're all inside my head

I got no one to blame
I cannot complain
I volunteered to not like it here

Following a one-way street
My two feet carry me

Step by step by step
Though it's dark and I can't see ahead
I won't let the shadows scare me
I'll make the noises fear me
I'll make the voices hear me instead

Step by step by step
Though it's dark and I can't see ahead
I won't let the shadows scare me
I'll make the noises fear me

I'll make the voices hear me instead
I won't let the shadows scare me
I'll make the noises fear me
I'll make the voices hear me instead
We're all inside my head
