"Sugar Mama"

I'm not gonna be your sugar mama
If you won't play your part
I'm not gonna feed you gold and glamour
If teasing's all you've got
I'm saying it now to prevent the drama
Generosity's not for free
But I'm not gonna be your sugar mama
If you know you'll never love me

Benefit of the doubt
Got you this far
This is the end of the road
Get out of my car

Everybody loves you
Everybody's in love with you
Everybody's under the illusion
That someday soon you will fly them to the moon
Everybody's in love with you

I know you're quite the charmer
You even smell like marzipan
But I'm not gonna be your sugar mama
If you won't be my candy man

Benefit of the doubt
Got you this far
This is the end of the road
Get out of my car

Everybody loves you
Everybody's in love with you
Everybody's under the illusion
That someday soon you will fly them to the moon

Everybody loves you
Everybody's in love with you
Everybody's under the illusion
That someday soon you will fly them to the moon
Everybody's in love with you

You say you want my friendship
All you want is my success
I say I want your loving
I just want to beat this loneliness

Everybody loves you
And everybody's in love with you
Everybody's under the illusion
That someday soon you will fly them to the moon

Everybody loves you
And everybody's in love with you
Everybody's under the illusion
That someday soon you will fly them to the moon
Someday soon you will fly them to the moon
Someday soon you will fly them to the moon
Everybody's in love with you
