I never met anyone but you
Who could taste like cigarettes and still taste good
There's no need to try to hold your breath 'cause I won't
let you

I never met anyone like you
You are perfect even when you smell like booze
But if you could see the flaws I have in me
Would you still be with me?

'Cause I haven't had the time to clean my mess up
And I dare not let you in, I'm afraid
Cannot let you see the ugliness that hides inside of me
You'd agree

That you'd never met anyone like me
So filled up with rage and jealousy
I once believed that perfection could be achieved
But I don't know anymore

'Cause I haven't had the time to clean my mess up
And I dare not let you in, I'm afraid
Cannot let you see the ugliness that hides inside of me

No, I haven't had the time to clean my mess up
And I dare not let you see the ugliness that hides inside
of me
You'd agree

That is why we fit together
That is why we stick together
That is why we are together
