Well I went to a dance just the other night, the band
they was a-rockin' to the left'n'the right. I sure got a
shock as I walked through the door, about rock roll
saddles boppin' 'cross the floor.

(chorus)

Well'a rock'n'roll saddles, white and black, rock'n'roll
saddles with a buckle on the back, rock'n'roll saddles,
dancin' to the rock an' roll.

Well, the cats they were jumpin and goin' hog wild, the
chicks sure looked cute with their ponytails high. I really
had a smile when I took a peek, at the rock'n'roll
saddles on the pretty gals' feet.

(chorus)(guitar break)

Well a pretty little girly came out to me, she said "come
on honey won't you bop with me." I said "okay baby" but
I couldn't keep from starin' at what that little rock'n'roll
mama was a wearin'.

(chorus)

Well'a rock'n'roll saddles, boppity bop, a'rock'n'roll
saddles, boppity bop, a'rock'n'roll saddles, teach me
do-da-do the rock'n'roll.
