And I love you so
The people ask me how
How I've lived 'til now
I tell them I don't know

I guess they understand
How lonely life has been
But life began agai-ain
The day you took my hand

And yes I know how lonely life can be
The shadows follow me
And the night won't set me free
But I don't let the evenin' get me down
Now that you're around me

And you love me too
Your thoughts are just for me
You set my spirit free
And I'm happy that you do

The book of life is brief
And once a page is read
All but love is dead
That is my belief

A-and yes I know how-ow loveless life can be
The shadows follow me
And the night won't set me free
But I don't let the evenin' bring me down
Now that you're around me-ee

And I love you so
The people ask me how
How I've lived 'til now
I tell them - I don't know
