"By The Sun"

Colours never-ever ending
Raindrops, diamonds from the sky
Flowers, bending in the soft breeze
Carpets woven by the sun
Carpets that are dried up by the sun
Carpets that are dried up by the sun

Colours many different shades
Turn soft then fade
Raindrops just disappear
Flowers blossom and then die

Carpets that are dried up by the sun
Carpets that are dried up by the sun

Colours never ever ending
Raindrops, diamonds from the sky
Flowers, bending in the soft breeze
Carpets woven by the sun

Carpets that are dried up by the sun
Carpets that are dried up by the sun
