Come with me
It's oh so easy for me to see
We can be
Close together, for always forever
You'll never believe but it's true
You will see
The happy corners where we will be
It's for real
I'll sing to you all the songs that we knew
That's not true don't be blue they're for you

Ooowah, ooohwah, oooh-wah (etc.)

Can you feel
It's spinning round like a great big wheel
It's for real
I'll sing to you all the songs that we knew
That's not true don't be blue they're for you

Ahhhahhh,

Come with me
Come with me

Come with me
It's oh so easy for me to see
Come with me
When I find that you're all on my mind
That's the time I will say come with me
