Lying in the shade with a dancing flower
Shedding petals, sheds one every hour
Does she, don't she
Don't she, does she
Does she, does she not
Playing in a glade with a dancing flower
Shedding petals, sheds one every hour
Will she, won't she
Won't she, will she
Will she, will she not

Like a characature of a lion in a book

Playing in a glade with a dancing flower
Shedding petals, sheds one every hour
Will she, won't she
Won't she, will she
Will she, will she not

Lying in the shade with a dancing flower
Shedding petals, sheds one every hour
Does she, don't she
Don't she, does she
Does she, does she not
