How do you know, what you feel Is it real, is it?
How do you know, what you see Is it seen, is it?

Impostors of life's magazine
Impostors of life's magazine
How do you know, how do your friends forsake you?
Your name from their memories has gone

You may be left out in the cold
If so, do not despair
Just read the magazine my friend
Your name is printed there

Impostors of life's magazine
Impostors of life's magazine

Touch your friends girl, will he mind, will his mind, will
it?
Feel your friends think, in their thoughts They're with
you, are they?

Impostors of life's magazine
Impostors of life's magazine
You may be left out in the cold If so, do not despair
Just read the magazine my friend
Your name is printed there
Impostors of life's magazine
