"Morning Sunshine"

Wait 'til the morning sunshine
Wait 'til the morning sunshine
Feels like another day, I wouldn't know
My love's away, from home today
Wait 'til the morning sunshine
Wait 'til the morning sunshine
It's just the memory, of sunshine
In the morning, being close to me

And it was...ohhhohh...(etc.)

Wait 'til the morning sunshine
Wait 'til the morning sunshine
Seems like the world is late, for I can't wait
For sunshine in the morning

Wait 'til the morning sunshine
Wait 'til the morning sunshine
