Little girl in the sea of dreams
There's a smile on her little face
She looked around she could see no peace
Her heart was sad and her body weak
Dum, dum, dooby-dum dum dum (repeat)

But in her dream she was big and strong
She fell in love with a sailor
He travelled far off to distant lands
He never travelled to see her

Dum, dum, dooby-dum dum dum

Then one night a strange man did come
He whispered words unto her mother
Little girl in the sea of dreams
She closed her eyes and met her maker
