

Idle Race, The "The Clock"

Visit "[The Clock](#)" on MotoLyrics.com

The clock upon the wall tells me it's time to go
But I don't want to know
But the clock on the wall
Well friends will talk, my friends will talk
They all will talk
But I don't give a damn
About all their small talk

I just care for you
And there's nothing, nothing anyone can do

Tick tock around the clock
The hands won't stop
But I don't care
I don't care at all

I just care for you
And there's nothing, nothing anyone can do

The hands keep going all the time
And I keep wishing you were mine

Where would and if and what and why
And where we've been
And what went on
I can stay too long

I just care for you
And there's nothing, nothing anyone can do
