If I told you once, I told you twice  
If I told you once, I told you twice  
You gotta do just what I tell you  
If you want to be my bride

If you want me 'round you must be nice  
If you want me 'round you must be nice  
You gotta do just what I want  
If you want me by your side

Maybe you must pay my price  
Baby you must pay the price  
You gotta be, be there when I need you  
And I be satisfied

If I told you once, I told you twice  
If I told you once, I told you twice  
You gotta do just what I tell you  
And I be satisfied
