Did your friend tell you that I called today?
Did your friend tell you that I'm sad at losing you?
Did he tell you that I shouldn't cry?
Did he tell you that I had no pride?

Your friend
Your friend

Did your friend tell you that I called today?
Did your friend tell you that I'm gonna grieve for you?
Did he tell you that I cried aloud
To the sky and to the watching crowd?

Your friend
Your friend

Just the thought, of even losing you, makes everything I
do
Jus' wanna sigh, and cry, and die

Did your friend tell you that I called today?
Did your friend tell you that I'm sad at losing you?
Did he tell you that I shouldn't cry?
Did he tell you that I had no pride?

Your friend
