[kid cudi]  
where you going?

[chorus]  
i said she's gon' run run run, that girl's gon' run.  
run run run, that girl's gon' run.  
run run run, that girl's gon' run. (and she's gon' run)  
run run run, that girl's gon' run.

[joey]  
yo yo uh  
she's an actress, knows how to jump the rain.  
her eyes are time like blue fluorescents in front the  
range.  
now that's constructive pain, major payne like damon  
wayne.  
whoody whoo i cut her like serato cause she fruity loops.  
oh joey oh joey you the only one like obi kenobi, can't  
blame me for your miss cinnati's cold feet but i must  
admit you got me hooked like peter pan.  
i'm all on your back just like the man, she said catch  
me if you can!

[chorus]  
i said she's gon' run run run, that girl's gon' run.  
run run run, that girl's gon' run.  
run run run, that girl's gon' run. (and she's gon' run)  
run run run, that girl's gon' run.

[kid cudi]  
hey girl i know that you gon' run but see i know you'll be  
back back back back.  
hey girl i know that you gon' run but see they always  
come back back back back.  
nigga like me smokin' daily, too much tree i can't be  
chasin' you so.. why the fuck you got me over here  
runnin' after you?  
let's keep it cool baby, let's talk about this.. you can  
look all over but you'll never find a dick like mine.

[chorus]  
i said she's gon' run run run, that girl's gon' run.

run run run, that girl's gon' run.  
run run run, that girl's gon' run. (and she's gon' run)  
run run run, that girl's gon' run.

and she's gon' run..  
ah.. ah.. ah.. ah..  
and she's gon' run..  
ah.. ah.. ah.. ah..  
and she's gon' run..  
run run run, that girl's gon' run.  
run run run, that girl's gon' run.  
run run run, that girl's gon' run. (and she's gon' run)

[krispy]  
hahaha it's krispy  
yeaah she said she want to be my friend but i ain't  
tryin' to be her friend.  
i'm just tryin' be up in her b like case and snas  
well shit look at the stairs when she switched it there,  
she walkin' away.  
believe her, a diva ? geneva.  
geneva? geneva.. i really need to see her. tell your  
friend julisa that i've been tryin' to reach her but she  
don't even care like leave him there. laying on your  
back like weavin' hair, don't even care.

[chorus]  
i said she's gon' run run run, that girl's gon' run.  
run run run, that girl's gon' run.  
run run run, that girl's gon' run. (and she's gon' run)  
run run run, that girl's gon' run.

run run run, that girl's gon' run.  
run run run, that girl's gon' run.  
run run run, that girl's gon' run. (and she's gon' run)

hey.. that girl's gon' run.  
hey.. that girl's gon' run.  
run run run, that girl's gon' run.  
run run run..  
and she's gon' run..

[kid cudi]  
yeah go on baby..  
go on.. haha  
you'll be back.
