I don't know what love is, but I think I must have it bad
Yeah, you I don't know what love is, people, whoah, but
I think I must have it bad
Yeah, you know some people say love is just a gamble,
but whatever it is, it's enough to drive old me mad

They say love is just a proposition, people. it's strictly a
game of give and take
Yeah, they tell me love, love, love is a proposition,
people, they say it's strictly a game of give and take
Whoah, but my woman took all I gave her and I'm here
to tell to you that love proposition stuff 's a fake

Oh, I don't claim to be no gambler people, oh, I don't
know much about the dice
Yes, I don't claim to be no gambler people, I tell you I
don't know much about the dice
Oh, but I wait and my baby knows, she knows I'm not
the kind who's gonna crap out twice

Yes, she left me early this mornin', I don't know the
reason why
She just got up early this mornin', didn't even say
good-bye
But I love you, I love you, you know I love you baby,
although you made me cry
Yes, there are a lot of women who love me, oh, but how
you satisfy
