Be mine, all mine, yeah
Be sweet, eh-eh
Yeah, real sweet
Don't you wander to another
Don't you squander your love
Be mine, yeah, all mine
Eh, you're cool, real cool
Eh-eh, but I'm wise, yeah, real wise
While my heart is wide open
You're cheatin' and elopin'
Be mine, yeah, all mine
Well, you're not foolin' anyone
With this runnin' around
'Cause I know your heart belongs to me
Go on and buy that wedding gown
Yeah, be mine, all mine, eh-eh
Be sweet, yeah, real sweet
Don't you wander to another
Don't you squander your love
Be mine, eh-eh, yeah

Well, you're not foolin' anyone
With this runnin' around
'Cause I know your heart belongs to me
Go on and buy that wedding gown
Be mine, yeah, all mine, eh-eh
Be sweet, yeah, real sweet
Don't you wander to another
Don't you squander your love
Be mine, eh-eh, yeah
All mine
Be mine
