Get your hands off
I want a divorce
I wanna live like
No one else you know
So get the punch line
You're just so last course
I'm takin' everything you own

I'm taking the cars and the guitars
I'm taking the brass your mothers silver
You're making me bored
Don't want anymore
You can't hold me back baby
You can't do that

Get your hands off
I want a divorce
I wanna live like
No one else you know
So get the punch line
You're just so last course
I'm takin' everything you own

I'm takin' what's mine
So sign on the line
You're takin' your time
I'll leave you behind
You're making me bored
Don't want anymore
You can't hold me back baby
You can't do that

Get your hands off
I want a divorce
I wanna live like
No one else you know
So get the punch line
You're just so last course
I'm takin' everything you own

Get your hands off

I want a divorce
I wanna live like
No one else you know
So get the punch line
You're just so last course
I'm takin' everything you own
