Watch out your mummy's eyes  
Better make up good lies  
Sneak away from home  
It's time for the sunshine drive.

Don't care about your money  
Don't care about your honey  
Boys are in a queue  
It's time for the Sunshine Drive.

First stop - frozen tequila  
Second stop - Melbourne Bitter  
Third stop - cowboy cocksucker

Oh yeah

Gabba gabba hey Kat, get right  
It's time for the sunshine drive  
Hey Lucy, get spazzy  
It's time for the sunshine drive.  
Hey Ally, don't worry  
It's time for the sunshine drive  
We're the Spazzys and we're ready, let's go to the  
sunshine drive
