THIS VERSION IS FOR THE FANS (YEA)
YOU DON'T WANNA STEP INTO OUR BUILDING,
HABS FANS, STAND UP.

Montreal stand up, let 'em hear us,
It's 25 for 67 now can you feel it,
Come on Habs fans stand up all together,
Yell MTL for life, les Canadiens forever

Annie Slayd's got a change in the rally theme in the
same rhyme,
Take back the game and cup at the same time,
It's like, it's us against the world right now,
But were Habs, we never let the torch die down,

A unified city has spoken,
'Cause we don't wanna see another young man broken,
This is a movement,
And you don't gotta chance to stop it,

SO I BUST MY PACIORETTY SHIRT AND ROCK IT

If that's a hockey play, then hockey must change,
Wanna be proud of our sport, not ashamed,
It ain't about attempt, it ain't about blame,
Were doin' this for Max, were doin' it for the game,

Tryin' to open some eyes,
But you can't break the spirit and Canadiens pride,
I know one way to keep this feelin' alive,
How about 67 for 25...

Chorus:

Montreal stand up, let em' hear us,
It's 25 for 67 now can you feel it,
Come on Habs fans stand up all together,
Yell MTL for life, les Canadiens forever

'Betcha didn't know that blood was thicker than ice,
This team is a family, we stand together in a fight,
The ones who riot, you know they ain't the real fans,
It's the twenty-one thousand in the stands,

The ones who give the 10 minute ovations,
Can't appreciate it unless you've felt the vibrations,
Were the home team you don't wanna be facin',
The one's who've celebrated more than any in the
nation,

It's easy to hate on the ones who speak up,
It's easy to hate the one with all the cups,
Boston and Philly love to slander us,
But they don't got half as many fans as us,

Pickin' on PK, they got a hate on him,
Maybe because they know they can't skate with him,
T-Dot, it's like they're afraid of him,
I wouldn't take the whole team in a trade for him,

No more nice guy, Annie Slayd,
Best fans in the game, (screw?) what they say,
I know one way to keep our spirits high,
How about 76 for 25...

Chorus:

Montreal stand up, let em' hear us,
It's 25 for 67 now can you feel it,
Come on Habs fans stand up all together,
Yell MTL for life, les Canadiens forever
Greatest fans in the world, are you ready,
Why not win it all for Max Pacioretty,
Come on Habs fans stand up all together,
Yell MTL for life, les Canadiens forever

THIS ONE'S FOR THE GREATEST FANS IN HOCKEY,
JUST WANTED TO REMIND THE HATERS,
'77, '78, '79, '02, '04, '08,
THOSE NUMBERS MEAN ANYTHING TO YOU BOSTON?

YOU NEED TO BRING YOUR HEAD,
CUZ WE ALWAYS WILL BE,
MTL STAND UP!

Habs for life, MTL forever,
Montreal for life, Canadiens forever! (x2)
